Unbreakable Mat erial With Sharp Stainless Steel Blade

Use & Care:

- Don't dip top lid in water while washing.
- Always use wet wipe / cloth to clean the lid.
- Please make sure that the water doesn't go inside the lid. This will help improve the life of the inner components and thus the life of the product.

Designed for Perfect Chopping, Blending: Sharp Stainless Steel Blades, Anti-Skid Base, and efficient rotary pull mechanism make this a perfect chopper for chopping all your ingredients such as vegetables, fruits, nuts, herbs, spices and more. It can also be used to chop and mince boneless meat.
